[SEAL] Attest: S. S. McFADDEN, City Clerk.

**A Question of Pride.**

Pride is the birthright of almost every Spaniard, and the fact that one of the race may take up the occupation of a beggar does not shut him out from the possession of it. An American traveler relates that in alighting at a hotel in Granada he saw a man at the door put out his hand toward him.

The traveler supposed that the man was the porter of the hotel and offered him his valise. The man stepped back, tossed his head and frowned scornfully.

"Caramba!" he exclaimed. "Do you take me for a porter? I would have you understand that I am no porter."

"Indeed? Then may I ask you, senor, what you are?"

"I am a beggar, sir, and asked you for alms!"—YOUTH'S COMPANION.
